BHARAT PACKAGING EXPO

Innovate. Integrate. Impact

10 11 12 February, 2027

India Expo Centre & Mart, Greater Noida

India's Gateway to Packaging Leadership & Excellence!

Quality • Innovation • Sustainability

Bharat Packaging Expo 2027

is Unleashing Packaging Brilliance!

Bharat Packaging Expo 2027 is more than an exhibition. It is India's leading platform where innovators, suppliers, and global buyers come together to showcase how packaging powers industries, supports exports, and builds sustainable solutions for the future. The event highlights breakthroughs across the value chain that improve safety, efficiency, and sustainability.

Igniting a Packaging Revolution

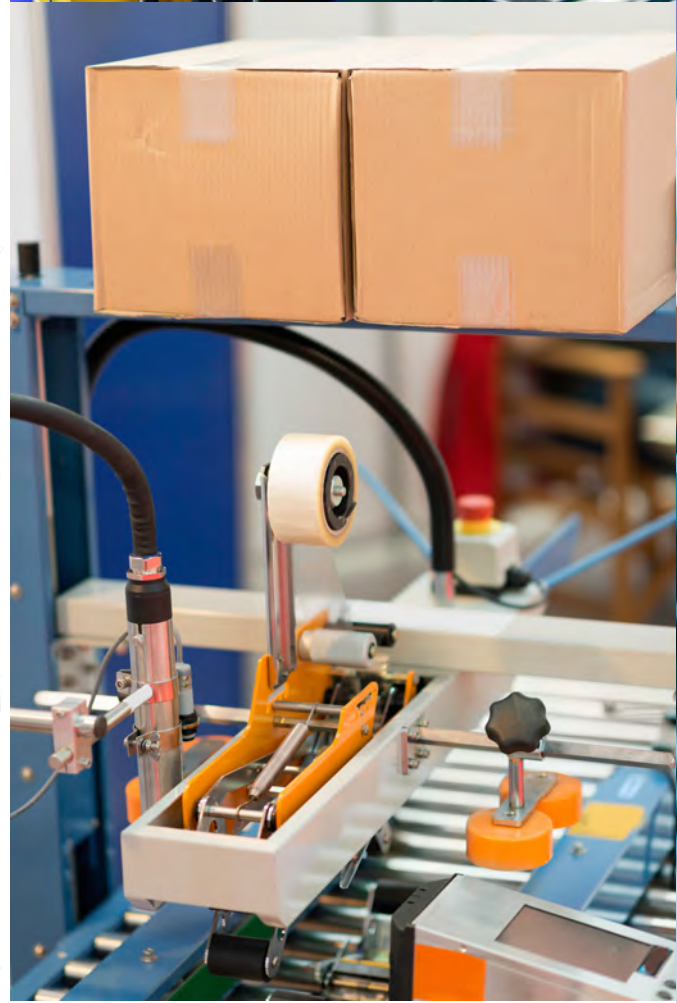

Vision & Mission

Our Vision

To make India a global leader in sustainable and innovative packaging, driving a circular economy and strengthening its role in world trade.

Our Mission

To bring India's packaging industry closer to global markets by fostering collaboration, innovation, sustainability, and investment. Our goal is to create a future where packaging delivers value through growth and innovation.

Crafting the Future of Packaging with Bharat Packaging Expo 2027

Why You Can't Miss Bharat Packaging Expo 2027

- ❖ **Meet Key Decision-Makers** from FMCG, Pharma, Retail, and E-commerce
- ❖ **Access India & Asia-Pacific Markets** and discover new export opportunities
- ❖ **Explore Sustainable & Smart Packaging Solutions** aligned with global needs
- ❖ **Promote Your Brand Globally** to procurement heads and sourcing managers
- ❖ **Gain Market Insights** through conferences, forums, and awards
- ❖ **Forge Strategic Partnerships** with global buyers, investors, and innovators

Redefining Packaging Horizons

Scope of the Event

Exhibition

Comprehensive showcase of materials, machinery, automation, printing, labelling, logistics, and sustainable solutions.

Buyer-Seller Meets

Structured B2B meetings with hosted domestic and international buyers.

India Star Awards

Honouring innovation, sustainability, design, export leadership, and industry champions.

Live Demonstrations

Real-time displays of machinery, automation, and emerging technologies.

Competitions & Challenges

Student contests, start-up pitches, and sustainability-focused innovations.

Innovation Pavilion

Launchpad for breakthrough materials, smart packaging, and eco-friendly solutions.

Start-up Hub

Dedicated space for start-ups to engage with investors, mentors, and partners.

Investment Forum

Networking with venture capital, private equity, and financial institutions.

Export Promotion

Country pavilions, workshops, and delegations to boost Indian packaging exports.

Your Products, Your Technology, Your Market

Perfect 12 Industry Focused Zones !

1

Plastic Packaging Pavilion

Rigid and flexible plastic solutions,
Used in FMCG, pharma, and consumer
goods, Focus on durability and efficiency

2

Food & Beverage Packaging Pavilion

Systems for filling, sealing, and storage
Solutions for food and drink products
Ensures freshness and safety

3

Confectionery & Bakery Packaging Pavilion

Packaging for chocolates, sweets,
snacks, bakery
Attractive and hygienic formats
Maintains product appeal and shelf life

4

Glass Packaging Pavilion

Bottles and containers for beverages
and cosmetics, Premium, sustainable
packaging option, High design and
product protection

5

Metal Packaging Pavilion

Cans, tins, foils, and metal containers
Strong, safe, and long-lasting
Highly recyclable materials

6

Filling & Sealing Technologies Zone

High-speed filling and sealing machines
Ensures product hygiene and prevention
of leaks, Used across FMCG, pharma,
and beverages

7

Labelling & Coding Zone

Label design and application systems
Barcoding and traceability solutions
Supports branding and regulatory
compliance

8

Food Processing & Packaging Tech Zone

Processing + packaging integration
For dairy, meat, frozen foods, RTE meals
Enhances efficiency and product safety

9

Oral Care & Personal Care Packaging Zone

Packaging for toothpaste, soaps, beauty
& wellness, Ergonomic and aesthetic
formats, Emphasis on sustainability and
brand identity

10

Sustainable Packaging Pavilion

Recyclable, biodegradable, and
eco-friendly solutions, Green alternatives
to traditional packaging, Supports circular
economy goals

11

Packaging Materials Pavilion

Plastics, paper, glass, metal, bio- materials
Raw materials to finished packaging
Wide range

12

Machinery, Products & Innovation Pavilion

Automation, robotics, and advanced
machinery, Smart packaging and
IoT-based solutions, Printing, converting,
logistics, and software for traceability

Where Every Visitor Finds the Perfect Zone to Source and Upgrade.

Visitor Profile

Industry Leaders

CEOs, Directors,
Procurement Heads,
Supply Chain
Managers

Sectors Represented

FMCG, Food & Beverage,
Pharmaceuticals, Retail,
E-commerce,
Healthcare, Electronics,
Industrial Goods

Experts & Influencers

Packaging Designers,
R&D Specialists,
Consultants, Investors,
Export Councils

Government & Academia

Policymakers, Regulators,
Chambers of Commerce,
Educational Institutions

About the Organisers

Indian Institute of Packaging

Pioneering Research, Innovation,
and Global Standards

The Indian Institute of Packaging (IIP) is the country's apex body dedicated to packaging education, training, and research. With a strong focus on innovation, standardisation, and global competitiveness, IIP plays a pivotal role in advancing India's packaging sector. Recognised worldwide, the institute strengthens industry through cutting-edge R&D, close collaboration with stakeholders, and its commitment to excellence in packaging technology. By nurturing talent and driving new solutions, IIP continues to shape the future of sustainable and world-class packaging.

IEML: Architecting India's Premier Confluences & Exhibitions

**India Expo
Centre & Mart**

India Exposition Mart Limited (IEML) is not just a venue but a leading curator of major exhibitions and trade shows, driving platforms like Bharat Tex, UP International Trade Show, India Manufacturing Show, IFEX, IHE, Well Fest India, and Bharat Sustainability Expo. With world-class infrastructure and a strategic, future-focused approach, IEML operates as a creator, co-organiser, and managing partner, offering complete end-to-end event solutions. It builds strong B2B ecosystems, fosters global industry engagement, and stands as one of India's most trusted and influential institutions in the exhibitions and events domain.

About the Venue

India Expo Centre & Mart, Greater Noida, Delhi-NCR

- ❖ One of the world's leading integrated exhibition and convention centres
- ❖ **25 minutes** from New Delhi, **60 minutes** from IGI Airport, **20 minutes** from Jewar Airport
- ❖ Awarded the National Tourism Award as India's premier convention venue
- ❖ In-house integrated services for exhibitors and visitors
- ❖ Excellent metro and highway connectivity with Delhi NCR
